

W.H.L.C.G.A. Junior Golfing Year 2009

Once again we draw to the end of another golfing season. This year has seen some exceptional results from our junior girls and I am delighted to say that many of our girls have reduced their handicaps dramatically thanks to the coaching programme organised by the County and the girls' hard work and practise.

We will loose three of our County girls at the end of the season. They have all been stalwarts over the years for the County. Grateful thanks go to Charlotte Harris, Zoe Edwards and to our Junior Captain, Naomi Austin. We wish them all well in their future studies and in their golf careers. *Kate Davis*

W.H.C.J.G.G. Information Pack

The W.H.C.J.G.G. was formed to plan, run and organise county and inter county events for girls of all abilities. The aim being to help and encourage girls to enjoy golf at all levels from beginner to single figure handicapper, and to help girls develop the golfing skills needed to reach their full potential.

Any girl golfer in the County under the age of 18 on 1st January is very welcome to join and attend the various events and activities organised by the Junior Committee. Girls do not have to be a member of a golf club to come along to these events.

Last year an Information Pack was sent to every Junior girl member of a county club. They were also sent to those girls not members of a club who subscribed to W.H.C.J.G.G. The comprehensive pack contained full information on all the fixtures, events, coaching activities and competitions planned for the 2009 season. Contact information and Competition entry forms and much more. We hope to do the same this year as soon as we receive returns from clubs with details of their paid up Junior girl members.

Events we organised last year:-

- Coaching
- Pre-Season Day
- End of Season Day
- Card Marking Day
- Generation Gap Competition
- Junior Girls' Championship
- Team Matches

The County are very grateful to all the clubs, parents, helpers and of course the girls who give their attendance and support at these events. Without them this programme would not be possible.

We are very proud of our county girls and congratulate them for the many achievements and successes they have had this year, all of which can be found on the following pages.

COACHING PROGRAMME 2009

We ran 5 coaching groups during the year which enabled 34 girls to receive coaching. These sessions were funded by Club and Coach money, Golf Foundation Grants and from parental contributions. The effectiveness of this coaching has been evident in the drop in handicaps of many of the girls and the positive results achieved in County competitions.

The following girls have reduced their handicaps significantly since last summer.

Chloe Bennett	54	to	41
Geogia Warner- Tomlinson	41	to	30
Harriet Matthews	38	to	25
Eleana Ivall	36	to	24
Amy Millward	36	to	14
Lucy Walton	36	to	24
Ciara Kelly	33	to	22
Bethan Hughes	32	to	21
Aimee Field	31	to	16
Suzanne Baylie	29	to	17
Hayley Noel	26	to	18
Charlotte Harris	21	to	14
Ellie Lawrence	21	to	14
Emily Hyde	18	to	10
Naomi Austin 1	8	to	12
Zoe Edwards	17	to	9
Gemma Glenister	11	to	7
Elizabeth Richards	11	to	7
Megan Perry	9	to	6

Apologies if these have altered after going to print! Several other girls have also made great steps to improve their golf during the year. We are very grateful to the following coaches who have inspired the girls to achieve such improvements. They are;

Russell Adams and Noel Woodman at Gaudet Luce

Angus Hoare at Wharton Park

Kevin Haywood and Laura Day at Kings Norton

Graham Farr at Worcester

Many of the girls also benefit from individual coaching at their clubs. The Junior Committee Ladies have also been very supportive in their management and support at the coaching sessions

OTHER ACHIEVEMENTS

English Girls Championships. Six girls qualified for the Championships which were played in Wiltshire. The weather sadly affected play to the extent that the second day had to be abandoned and play stopped on the 3rd day. Dana, Megan and Elizabeth made the cut and played the next day but failed to get to the quarter finals. The standard of play from all the girls was very creditable in the atrocious conditions.

Wee Wonders. Lucy Walton, a 10 year old from The Worcestershire got to the finals at St Andrews and came 8th. She has also just won her first piece of silverware by winning the Len Phipps Cup at her club.

National Ping Competition. Naomi Austin and Emily Hyde came 2nd and 3rd. Emily and her partner lost on a count back to Naomi.

Champion of Champions. Zoe and Elizabeth came 4th in their age groups.

Charles Heeley Competition. Aimee Field has qualified from her club in the Silver division to play at Coventry.

These are a few of the successes. There are many more and we do appreciate the support and encouragement that the girls receive from their clubs.
