Another year gone by and what a successful year it's been for our juniors, not only in terms of vastly reducing handicaps and match successes, but also in their development through the Coaching Academy programmes. We have great talent in our County which augurs well for the future.

We are very proud of our county girls and congratulate them for the many achievements and successes they have had this year, all of which can be found on the following pages.

W.H.L.C.G.A. Junior Committee Events 2011

The Junior Committee work hard each year to plan, organise and run county and inter county events for girls of all abilities. The aim being to help and encourage girls to enjoy golf at all levels from the beginner to the single figure handicapper, and to help girls develop the golfing skills needed to reach their full potential.

Any girl golfer in the County under the age of 18 on 1st January is very welcome to join and attend the various events and activities organised by the Junior Committee. Girls do not have to be a member of a golf club to come along to these events, however some of the events do require girls to have an active CONGU handicap.

In past years an Information Pack has been sent to every Club and every Junior girl member of a county club. This year it has been decided to discontinue the Information Pack and instead combine all the information in an online Newsletter. We hope you will find this just as interesting and informative. It can be viewed online or

downloaded from the county website. Copies for downloading will also be sent to all County delegates to display on their Club Notice Boards.

Events planned for the coming season:-

- Pre-Season Day
- EarlyLearn Fun day (new 2011)
- Junior Girls' Championship
- Generation Gap Competition
- End of Season Day
- Team Matches
- Coaching

The County are very grateful to all the clubs, parents, helpers and of course the girls who give their attendance and support at these events. Without them this programme would not be possible.

Our Junior girls did very well in the County Championships at Stourbridge. Megan Perry and Gemma Glenister were semi finalist. Gemma played Sarah Cranton in the final match and took the Runner up Salver.

Ciara Kelly was the winner of the Grace Boulton Trophy for 1st Nett over 18 holes and Emily Hyde won the Jessica Smith Trophy for under 25's.

COUNTY WEEK

Four of the Junior girls successfully represented the County at County Match Week in June. They were Megan Perry, Elizabeth Richards, Gemma Glenister and Emily Hyde. They all played with a great deal of maturity and were successful in winning some matches against strong opposition.

ENGLISH GIRLS' CHAMPIONSHIPS

Abraham Trophy - this is a competition for girls who have greatly reduced their handicap in the previous year. Aimee Field played in this and came 15th.

Under 13's - Ciara Kelly, Aimee Field and Lucy Walton all played in 2 rounds. The competition was very tough and none of the girls made the cut to the final day.

Under 15's - Ellie Lawrence played well and on the 2nd day played the course to 6 and made the cut to the final day. Her final position was in the 30's.

Under 18's - Megan Perry did not make the finals but Liz Richards did and had a good 2nd round reducing her handicap.

All the girls enjoyed playing in such a high class field and will have learned from their experience.

Junior County Coaching 2010/2011

JUNIOR GIRLS ACADEMY COACHING

In 2010 we had 4 coaching groups for girls. This year we have 5 groups. These groups are known as Academy groups and are held at Gaudet Luce, Wharton Park and at Worcester Boughton Park. This is the 2nd year of a program that is largely funded by Sport England.

The girls were selected at assessment days for this program and are regularly appraised as to the progress they are making. The girls receive 52 hours of coaching over the year. The 2 other groups are at Kings Norton and at Burghill and are funded partly by the County. The first full year of coaching has been very successful with many of the girls playing in the County teams and club and county competitions. These girls have reduced their handicaps and those who did not have handicaps have now gained either Junior or Congu handicaps. We have identified a great deal of young talent and with the excellent coaching of Russell Adams, Angus Hoare, Graham Farr and Laura Day the girls have made great progress. Kevin Hayward has successfully coached the girls with low handicaps. We are very grateful to the level 1 Professionals who have given their time freely to assist the Professionals with the coaching sessions.
